Minutes of November meeting were read and an improvement was made. Awaiting approval at February meeting.

No old business was discussed because of low attendance. However, a few ideas were discussed:

Fr. asked us to brainstorm to get our church community together. Example would be a "Parents Night Out"

- The church could show a movie and have snacks, etc.
- Something special could be had for the adults who stayed.

Ann had idea of "Couples Bunko" where couples could bring wine and cheese, etc.  
It was discussed of tying in a Mardi Gras party with the Knights of Columbus Red beans and rice fundraiser on February 28th. We thought of having casino games for adults and other games for the kids.

An idea for a chili cook-off next fall was discussed. More will be discussed at next meeting.
